FocusProductsUSA.com

Focus Products designs and produces coaching boards for all sports, with both in-stock and customized products. This brochure summarizes the in-stock boards and accessories that are available, usually within one to three working days. Many of the smaller boards and items are available for immediate delivery and can be in your hands the next morning after ordering, if needed. We specialize in custom boards, including stock items that incorporate your name, logo, etc. in full color. Our Formula 3 boards are superbly crafted coaching aids with full-color, heat-fused graphics.

• Magnetic Diagraming Coaching Board

The idea is simple: Just remove an inter-changeable, easy-erase 8.5" X 11" diagraming sheet from the built-in storage compartment, slide it under the holder channels (on top of the built-in metal background) and clamp the sheet securely with the gripper clip at the top. You are now ready to diagram plays, teach, and even use magnetic player disks for any application. You can also use this coaching aid for your own pre-planned plays and as a clipboard or blank diagraming board.

- [1] Full field with scoreboard
- [2] Batter's box
- [3] Base running
- [4] Blank diagraming

Each sport has its own 4-insert format options. See our web page at www.focusproductsusa.com for diagrams of each.
